

FRONT PANEL EXPRESS

WHEN CUSTOMIZED PANELS ARE REQUIRED...FAST!

GET "EXPRESS" SERVICE ON FRONT PANELS, CUSTOMIZED TO YOUR EXACT SPECIFICATIONS AND DELIVERED FAST

Front Panel Express service offers fast prototypes-to-production cycle time. With Front Panel Express, you can get 5 to 50 front panels modified with custom cutouts, handles and silk-screen in as few as 5 working days. Front Panel Express is available on several Schroff® modified front panels. Solve your design problems and get your business up and running faster with Schroff products.

Select from a broad range of front panel products to meet your application requirements, including AdvancedTCA front panels designed to industry-leading specifications and a new AdvancedTCA IEA handle that provides a unique snap-locking action when actuated. AdvancedMC front panels that include the next generation hot-swap latch and support Quad or Tri light pipe configurations are also available. Choose from advanced customization services for all front panel product lines, including cut-outs, screen printing and assembly services. Products available through Front Panel Express support the following systems:

CompactPCI VME VME64x
AdvancedTCA AdvancedMC™ PMC VXS VPX

KEY FEATURES

- **Fast prototypes to production**—shipped in as few as 5 days
- **Broad range of rugged front panel products** available
- **Customization services** include cut-outs, screen printing, assembly and more
- **Local and global design and product support**

- **Design and engineering technical assistance** (Pro-E, SDRC, AUTOCAD & SolidWorks)
- **FPX orders stream through our "Fast Track" design engineering team**

APPLICATIONS INCLUDE:

- Telecommunications
- Medical
- Defense
- Aerospace
- Test & measurement
- Industrial automation
- Transportation

Schroff®

DESIGN WITH CONFIDENCE™

FRONT PANEL EXPRESS

PREPARING YOUR DESIGN

1. Modify your drawing

Customization options include:

- Panel cut-outs
- Up to three silk-screened colors
- Choice of EMC gaskets (fabric-over-foam or beryllium copper)
- Choice of surface finish
- Optional hot-swap microswitch installation
- Assembly and kitting

2. Email your drawing to your local sales representative and we'll do the rest—fast.

LOCAL CAPABILITIES BACKED BY AN EXTENSIVE GLOBAL NETWORK

The Schroff brand is uniquely positioned to support all of your custom front panel needs. With many high-speed CAD/CAM milling work centers, plating and silk-screen capabilities, as well as global leadership in electronic packaging design and a vast range of front panels and accessories, you can rely on Schroff to solve your design requirements.

FRONT PANEL EXPRESS LEAD TIME

Panel Type	Total
VME, cPCI, PMC (Pre-plated)	5 days
